# Our Aim

Our key aim is to always offer houses and apartments that are built to the highest standards. To us quality is not just a word, it's a way of life, and every aspect of the design and construction process is quality driven.

Buying a home is not something that happens many times during a lifetime. So buyers need to be confident and assured. That's why we will assist at every stage... we'll help find the most appropriate location, style and configuration - and in many cases we can tailor a home to suit individual needs.

We carefully select the most appropriate plots and locations to develop our properties, and design buildings that are distinctive, yet blend sympathetically with their environment - turning innovative and creative thinking into reality.

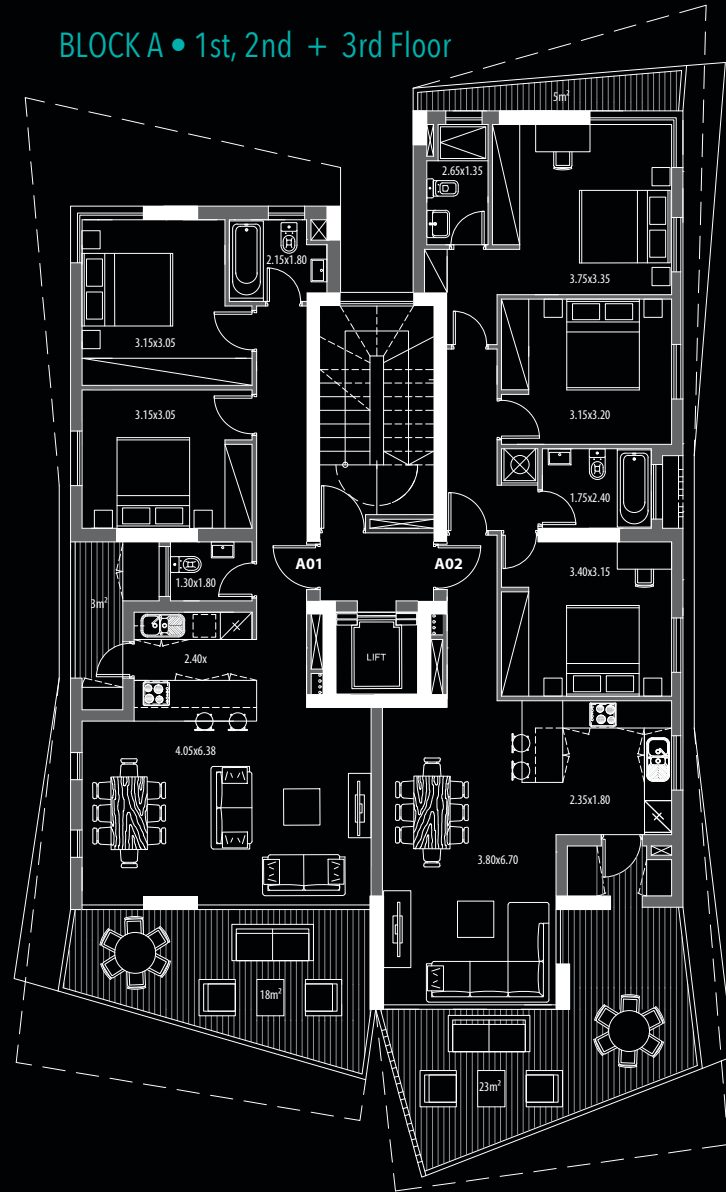

Grand Valley is a premium apartment development located in Germasogeia, a popular suburb of Limassol. GRAND VALLEY

# Limassol

Grand Valley is located in Germasogeia, a quiet area of Limassol near to a host of amenities.

Limassol itself has a rich and diverse history, although little evidence survives as progressive modernisation has taken place. Evidence that still exists indicates a sophisticated early society founded on trade and agriculture. Many ancient sites have been discovered and these are now protected monuments that form the foundation of the region's cultural history and the basis of fantastic myths and legends. The modern city centres on Limassol Castle and the Old Port. From there a web of narrow streets contain old, shuttered houses of the once-rich traders standing side-by-side with modern shops and boutiques. This area is abuzz with cafes, bars and restaurants. Not far away is the international business hub, where global companies are headquartered and where a 24-hour trade takes place.

The new Limassol Marina has added an atmosphere of cosmopolitan glamour and opulence, and this is just the start of a major development programme which will see Limassol elevated to the jewel of the Eastern Mediterranean. As the region enjoys a typical Mediterranean climate, with hot summers and mild winters, it is not surprising that Limassol is also one of the Mediterranean's premier holiday resorts.
